PRO TIPS FOR TEACHERS

- ✓ Have each student bring a full water bottle marked with their name.
- ✓ Bring an additional disposable water bottle per student (there is not a place to refill water bottles on the farm).
- ✓ Arrive a minimum of 30 minutes prior to your scheduled hayride time.
- ✓ Buses may unload students near the admission building, then please park in bus parking on the East side of the parking lot.
- ✓ Send one person to the admissions building with a total count of students, teachers, chaperones, and siblings in your group. Be prepared to pay in a single transaction.
- ✓ Get a text/email receipt for your transaction!
- ✓ Bring sharpie markers to write student names on the bottoms of their pumpkins.
- ✓ Ask students to wear closed toed shoes and clothing appropriate for the weather. In October, most students will need long pants, a sweatshirt, and a coat.
